The diagram illustrates a workflow with 10 nodes, labeled X0 through X9. Each node is represented by a blue circle with a white 'X' inside. Below each node is a text label. The nodes are arranged in a grid-like fashion, with arrows indicating the flow between them. The labels for the nodes are: X0: 1, X1: 1, X2: 1, X3: 1, X4: 1, X5: 1, X6: 1, X7: 1, X8: 1, X9: 1. The arrows represent transitions between nodes, with some nodes having multiple outgoing arrows. The diagram is labeled 'A2E2:LINE' at the top and 'Sebuah workflow yang...' on the right.
